October Half Term Holiday Activity Programme

Contains information on
Children's activities / courses and pool timetables

Tendring
District Council

Welcome

to Tendring District Council's action packed October Half Term Holiday Activity Programme offering a wide range of activities to brighten everyone's holiday whatever the weather!

The aim of this leaflet is to provide a one-stop shop to activities available across the District.

The **activetendring** community sport network contributes towards this brochure and funds some of the activities taking place.

get into the **ZONE**

creative **ZONE**

An opportunity for children to express themselves through soft play activities, art/craft, dance, music and performance.

skills **ZONE**

A combination of taster and fully coached sessions in a number of sports including, archery, badminton, basketball, football, trampoline and volleyball, Sessions are supervised by qualified coaches and provide children with an opportunity to simply experience a new sport or develop existing skills and meet new friends.

aqua **ZONE**

Simply refresh yourself in the cool water of the swimming pool, take the challenge of the fun inflatable or play around with the various floats.

xtreme **ZONE**

Skateboarding, in-line skating and BMX cycling, now acknowledged as a fast-growing sport nationally is certainly well provided for within the District. Enthusiasts can enjoy the 'TRAX' facility located at Clacton Leisure Centre along with facilities located in Brightlingsea, Dovercourt and Walton.

Play activities by their very nature provide an element of risk. However, users can assist in making the facilities a safe environment by tasking the following actions.

- Only use the facilities for their intended purpose.
- Wear appropriate clothing and protective gear at all times
- Do not take glass or alcohol into the area
- Take pride in the facilities - help to keep the site in good condition

All the skate parks are free to use and offer young people an ideal environment to show off their skills and socialise with friends.

Booking your activities

Choose the activities you wish to book and simply turn up at the relevant Sports Facility to register. A registration form will need to be completed for each child per facility visited. A number of the sessions outlined in this booklet have limited capacity. To avoid disappointment it is recommended that places are booked* in advance. *Please note booking fees are non-refundable.

Every Child An Opportunity

Please note that we would not wish to exclude any child on the basis of financial circumstance, therefore funding is available to ensure that children and young people can access a full range of activities. Please ask at your child's school for more information and an application form.

DON'T MISS OUT IF YOU'RE IN DOUBT!

Child Protection

Tendring District Council Leisure Facilities are committed in ensuring appropriate child protection procedures are in place for all activities and have recently been accredited to the Safer Activities for Everyone (SAFE) scheme

What to wear

Wear comfortable clothes (not jeans) suitable for the activity and trainers to run about in. Consider old clothes that can get messy for art and craft sessions. High heels, skirts and jewellery are not safe or practical to wear for activity sessions.

Help us to help your children

We can provide a better service if we know our customers well, please let us know anything important about your child's physical or mental wellbeing as this can affect their behaviour or ability to join in some activities. Tell us of any allergies your child may have or medication they may need. It is our policy to allow children with Asthma to carry their own inhalers so that they can manage their condition.

Booking Conditions

1. Children must meet the age restrictions for each activity
2. Tendring District Council reserves the right to amend / cancel any aspect of the activity schedule at short notice.
3. Tendring District Council, its servants and agents are not under any liability in respect of personal injury, sickness, loss or damage caused to attendees. We recommend that the children attending do not wear or bring valuable clothes or belongings.
4. Rules made for the safety and comfort of attendees must be observed at all times.
5. We are not responsible for any children left at venues either before the commencement or after the finish of any advertised activity session.
6. If it is considered that any child's behaviour is preventing the enjoyment or safety of others, the organisers reserve the right to exclude any child from taking part in that activity. We also reserve the right (depending upon the severity of the case) to telephone parents / exclude from future sessions without returning the booking fee.
