## Equality and Diversity Impact Assessment

# Background

## What is this tool for?

This tool will help you to assess the impact of existing or new strategies, policies, projects, contracts or decisions on residents & staff. It will help you to deliver excellent services, by making sure that they reflect the needs of all members of the community & workforce.

## How do I use the tool?

This tool is easy to use & you do not need expert knowledge to complete it. It asks you to make judgements based on evidence. The tool uses a system of red flags to give you an indication of whether or not your responses are identifying potential issues. Getting a red flag does not necessarily indicate a problem, but it does mean that your assessment is highlighting issues or gaps in data that may require further investigation or action.

## What should be equality impact assessed?

You only need to equality impact assess strategies, policies, projects, contracts or decisions that are **relevant** to equality. If you are not sure whether your activity is relevant to equality, take the 'relevance test'.

### The relevance test

Use the quick guide opposite to decide whether or not your strategy, policy, project, contract or decision related to equality:

### Relevant

- The strategy, policy, project contract or decision will impact on 'people' (residents, staff, or people who work in or visit the area)
- It may benefit some people or communities & not others (community cohesion)

### Not Sure

- The service is a support function or administrative
- There is no obvious impact on 'people' but the strategy, policy, project contract or decision is of major scale &/or significance to the Council's activities
- Insufficient evidence

### Not relevant

- No discernable impact on people.
- The service is a support function or administrative

If you are not sure whether your strategy, project or decision is relevant to equality, ask your Equality Service Champion in the first instance, or Amanda Cobb, the [Community Operations Manager](#) for advice, Tel: 01255 686360.

## MAKING A JUDGEMENT – CONCLUSIONS AND NEXT STEPS

1.13	<p><input checked="" type="checkbox"/> There are no inequalities identified or none that cannot be easily addressed or legally justified</p> <p><input type="checkbox"/> There is insufficient evidence to make a robust judgement</p> <p><input type="checkbox"/> Inequalities have been identified which cannot be easily addressed</p>	  	<p>No further action required - implement any actions identified.</p> <p>Additional evidence gathering required. Complete Section 2 – Additional Evidence Gathering</p> <p>Action planning required – complete Section 3 and implement any actions identified.</p>
------	---	---	--

## SECTION 2 – ADDITIONAL EVIDENCE GATHERING

Where the Fast Track Equality Assessment indicated that **complex issues** or **inequalities** were identified which could not be easily addressed, or you had **insufficient evidence** to make a judgement, you need to undertake additional evidence gathering & action planning process. This is described below:

(a) Gather & analyse relevant additional evidence (which may include engagement with diverse groups), to address gaps in your knowledge, enhance understanding of the issues & inform options for addressing these. Additional evidence is likely to include any or all of the following:

### Data gathering

- Demographic profiles of Tendring
- Data about the physical environment, e.g. housing market, workforce, employment, education & learning provision, transport, spatial planning & public spaces
- Results of local needs analysis
- Results of staff surveys
- Research reports on the needs/experiences of diverse groups
- National best practice/guidance
- Benchmarking with other organisations

### Consultation & involvement

- Existing consultation findings that may provide insight into the issues
- New, specially commissioned engagement with diverse groups
- Expert views of stakeholders/employers organisations representing diverse groups
- Advice from experts or national organisations
- Specialist staff/in-house expertise.

(b) For advice on evidence gathering or engagement with diverse groups please contact your Service Equality Champion. Discuss any proposed consultation with your service champion to ensure it is coordinated with related exercises across the Council as a whole.

(c) Use your evidence gathering, analysis & engagement with diverse groups to develop options for addressing inequalities or unmet need, consulting with relevant management teams/Members/strategic groups/partners where necessary to confirm proposed actions & resource issues.

(d) When options for addressing any issues are agreed, if these cannot be implemented immediately integrate them into the appropriate service plan/strategic plan/multi-agency strategy, so that it is clear how they will be delivered, when they will be delivered, by whom, & how this will be monitored.

(e) Identify how the continuing implementation & impact of the strategy, policy, project, contract or decision on diverse groups in Tendring will be monitored.

(f) Following completion of the above, please complete the questions 2.1 - 2.6:

ADDITIONAL EVIDENCE GATHERING RESULTS	
2.1	Outline the additional information you have gathered. <i>(Include full document titles and dates of publications for Audit purposes. Where applicable please also state the nature of any issues identified).</i>
2.2	Where consultation has taken place, who did you consult with and how?
2.3	<p>Analyse the additional information that has been gather and whilst considering the questions asked in Section 1 (1.6-1.10) consider whether any of the evidence indicates that the strategy, policy, project, contract or decision is likely to inadvertently exclude or disadvantage any <a href="#">diverse groups</a> (see appendix 1).</p> <p> <input type="checkbox"/> Yes   <input type="checkbox"/> No  <input type="checkbox"/> N/a         </p> <p><i>Please document the thought process that has been followed in forming the judgement.</i></p>
2.4	<p>If the additional evidence has highlighted any potential equality issues or red flags, can these be easily addressed?</p> <p> <input type="checkbox"/> Yes  <input type="checkbox"/> No   <input type="checkbox"/> N/a         </p> <p>If yes, please describe your proposed action/s, intended impact, monitoring arrangements, implementation date and lead officer:</p>

Tendring District Council, Essex County Council and NHS North East Essex are working jointly to address this.</i></p> <p> <input type="checkbox"/> Yes*  <input type="checkbox"/> No  <input type="checkbox"/> N/a         </p> <p>*If Yes, please email this completed assessment to <a href="mailto:ckitcher@tendringdc.gov.uk">ckitcher@tendringdc.gov.uk</a></p>
