

'INTERACTION'

Neighbourhood Management Partnership

Date; 20 February 2007

Title; Interaction Partnership Board Training Programme

Action; For approval

Summary

This paper puts forward a programme of training for the Interaction Partnership Board.

Proposed Training Programme

Key objectives

- To increase the understanding among board members of current best practice in neighbourhood management
- To increase the capacity of the board to assess project applications submitted by partner organisations

Training schedule

A provisional half day training session has been arranged for a date in April (to be confirmed with the board). The programme includes;

9.45. Arrival

10.00 Best practice in neighbourhood management

- Strategies for neighbourhood management
- Examples of the impact of neighbourhood management partnerships around England
- Effective community engagement

11.15 Break

11.30 Appraising projects

- Aims and objectives
- Scoring and evaluation

12.45 Lunch

Recommended: The programme is approved by the Board
