

A GUIDE TO SAFE SWIMMING

Swimming can be great fun, but it can also be dangerous. Please read this guide carefully and observe these common sense rules at all times.

› Never swim when under the effects of alcohol or after a heavy meal. Avoid holding your breath and swimming long distances under water.

› Make sure you know the depth of the water and check where slopes lead to deeper water. No non-swimmers in the deep end.

› Be especially careful if you have a medical condition such as epilepsy, asthma, diabetes or a heart condition and bring it to the attention of the lifeguard.

› Unruly behaviour in and around the pool is strictly forbidden. Running, ducking, bombing and acrobatics are not allowed. Shouting and screaming could distract attention in an emergency.

› Keep an eye open for other swimmers and be particularly careful around children and non-swimmers. If you see someone in difficulty, get help from our lifeguards immediately.

ALL WEATHER SYNTHETIC PITCH

The floodlit pitch, fully resurfaced during 2003 offers local sport enthusiasts an ideal surface to practice football and hockey skills and for local clubs to base their matches and training sessions.

Casual use and seasonal block bookings are welcome.

Further details can be obtained by contacting reception.

XTREME ZONE

Skateboarding, in-line skating and BMX cycling now acknowledged as a fast-growing sport nationally is catered for by the Floodlit Skate Park located next to Dovercourt Swimming Pool.

Please note play activities by their very nature provide an element of risk. However, users can assist in making the facilities a safe environment by tasking the following actions.

- › Only use the facilities for their intended purpose
- › Wear appropriate clothing and protective gear at all times
- › Do not take glass or alcohol into the area
- › Take pride in the facilities – help to keep the site in good condition
- › Take note of signage indicating floodlight operational times

(The Skate Park is free to use and offers young people an ideal environment to show off their skills and socialise with friends.)

Information Guide

DOVERCOURT SWIMMING POOL

Tendring District Council

WELCOME

This leaflet has been compiled to give you as much information as possible about the facilities on offer at Dovercourt Swimming Pool. We are dedicated to providing high quality, accessible, value for money services to cater for the sporting and leisure interests of residents and visitors to the District.

Our fully trained staff will be happy to assist you with any bookings or enquiries that you have.

Tel: 01255 508266/554574

WE HOPE TO SEE YOU SOON

We value your comments

Please let us know your views on the Centre. Comment Cards are situated in the reception area.

Facilities include

25 metre Fitness Pool
All Weather Synthetic Pitch and Floodlights
Lifestyles Fitness Suite
Solarium
Spectator Seating
Vending Machines
Skate Park and Floodlights (adjacent to facility)

SWIMMING

Our popular 25m pool is suitable for all water activities ranging from fitness swimming to fun inflatable sessions. We also offer water based fitness classes including aqua aerobics. The pool is also the home of Harwich, Dovercourt and Parkeston Swimming Club.

- › To allow for changeovers, public sessions will terminate 10 minutes before the advertised closing time.
- › During busy times it may be necessary to operate a band system. During these periods every customer will be guaranteed a minimum of 45 minutes in the water.

Swimming Admissions Policy

An adult (16+ years) must accompany children under the age of 8 years in the water. Maximum ratio allowed is one adult to every two under 8s.

LIFESTYLES FITNESS SUITE

Open 7 days a week the recently refurbished Lifestyles Fitness Suite offers customers an effective approach to exercise.

We can offer the following

- › Cardiovascular training equipment
- › A choice of resistance machines to tone and shape your body
- › Personalised programmes
- › Fully qualified instructors
- › Fitness Tests

Please note all users of this facility must complete an induction prior to using the equipment. Inductions can be booked at reception.

SWIM SCHOOL

Tendring District Council aims to offer the highest level of swimming instruction. Swimming is an excellent activity to help with a child's development. Swimming Lessons also encourage water safety, an important consideration in a District with a coastline. The swim school offers a comprehensive range of swimming lessons with the aim of providing high standards of water confidence, swimming techniques and water skills. We will provide lessons that are educational, fun and safe. Each pupil benefits from a structural and progressive programme taken by dedicated instructors who monitor the progress of pupils closely in order that maximum benefit is gained from each lesson.

Adult lessons complement the swim school programme and RLSS Pool Lifeguard courses operate on a occasional basis.

Lessons and Awards

Pupils follow a structured syllabus, which aims to develop and improve their swimming as they progress through each grade. Tendring District Council realises the importance of rewarding pupils for their hard work and operates the Amateur Swimming Association awards scheme, incorporating their badges and certificates.

Swimming Teachers

All of our teachers are Amateur Swimming Association qualified and have a wealth of experience in the provision of quality swimming lessons.

The ONE Card

Tendring District Councils new leisure card gives you more for less when you visit our excellent sports and leisure facilities. For details of services and prices refer to One card promotional literature or contact reception.
