How decisions are made

Decisions are taken on a day to day basis by the Executive, which is made up of Leader and Cabinet (the Members of which are appointed by the Leader). Key decisions to be made are published in the Executive's Forward Plan in so far as they can be anticipated. Meetings of the Executive are generally open to the public to attend, except where personal or confidential matters are being discussed. The Executive has to make decisions in accordance with the Council's overall policies and budget. If it wishes to make a decision that is outside the budget or Policy Framework, this must be referred to the Council as a whole to decide.

SUMMARY AND EXPLANATION

Overview and Scrutiny

The Council has three Overview and Scrutiny Committees that support the work of the Executive and the Council as a whole. These Committees may hold public inquiries into matters of local concern leading to reports and recommendations to advise the Executive and the Council as a whole on policies, budget and service delivery. The Overview and Scrutiny Committees also monitor the decisions of the Executive and a decision that has been made by the Executive but not yet implemented can be “called-in”. This enables the decision to be further considered. They may also be consulted by the Executive or the Council on forthcoming decisions and the development of policy.

The Council’s Staff

The Council’s staff (called ‘officers’) give advice, implement decisions and manage the day-to-day delivery of its services. Some officers have a specific duty to ensure that the Council acts within the law and uses its resources wisely.

Citizens’ Rights

Citizens have a number of rights in their dealings with the Council, which are set out in more detail in Article 3. Some of these are legal rights and others depend on the Council’s own processes.

Where members of the public use specific Council services, for example as a Council tenant, they have additional rights which are not covered in this Constitution.

The Council welcomes participation by its citizens in its work.
