

## ‘INTERACTION’

### Neighbourhood Management Partnership

9 JANUARY 2007

#### PROJECT APPROVALS

At your last meeting on 23 November 2006 the Board considered the Delivery Plan for 2006/07 (agenda Item 4). The Board agreed a list of projects to be included in the Plan and agreed a number of projects that were to be developed, appraised and then presented to this meeting for consideration as part of the Delivery Plan 2006/07.

The table below shows the current position and summarises results of the appraisal process. The full appraisals are available on the Interaction webpage at: <http://www.tendringdc.gov.uk/TendringDC/Business/Regeneration/Safer+Stronger+Communities+Fund/InteractionPartnershipBoard.htm>

Ref No.	Project and Project Lead	Description	SSCF £ 06/07	Theme, targets and indicators	Appraisal Outcome
SSCF 5	Clacton Town Centre - Cleaner Safer Greener Improvements Lead: ECC	Town Centre improvements, including improved lighting, CCTV and tree planting.	402,000	Community Safety and Development & Housing and Environment LAA 14.1c, and h, SSCF Mandatory CSG Indicator	Recommend grant of £402,000 to ECC.
SSCF 8	Surestart/Early Years Lead: Surestart/ECC	Development of dedicated ‘drop in’ centre in Town Centre for families with pre-school children, and provision of additional transportation to provide Toy Library resource in same area.	37,000	Children and Young People LAA 14.1f	Recommend grant of £37,000 to Surestart/Guinness Trust.
SSCF 9	CAB – OUTREACH Lead: CAB	Provision of a dedicated general advice service for Jaywick and Town Centre, based in Clacton CAB, with face-to-face appointments provided in Jaywick. Provision of an information kiosk in both wards which have touch screen facilities that require little PC literacy to provide individuals with the information they require. The kiosk can store and report on the information accessed to provide statistics that can be used to shape future services.	11,625	Community Safety and Development LAA 14.1f, 14.1i	Recommend grant of £11,625 to CAB.

SSCF 10	IMPERIAL HOUSE - SCHEME DESIGN Lead: TCVS	Production of a Scheme Design Study for the development of Imperial House. The study would be the first milestone to achieving a multi-information drop in facility.	35,000	Community Safety and Development LAA 14.1f, 14.1i NE Mandatory Indicator	Recommend grant of £35,000 to TCVS.
