

REQUEST AND RESPONSE**The Request**

There are three parts to the request. The first relates to statutory homelessness decisions; the second relates to outcomes for households leaving temporary accommodation; and the third relates to the prevention and relief of homelessness.

Part I – Statutory homelessness decisions

Please provide data on statutory homelessness decisions *by* household type and *by* decision type for the period April 2012 – March 2013. Where possible it would be extremely helpful if data could be returned by completing Table 1.

Table 1. Statutory homelessness decisions

Statutory homelessness decision		Household Type (Number of households)		
		Single person	Couples with no children	All households (inc. single person & couples)
1	Ineligible	0	0	0
2	Eligible but not homeless	11	3	42
3	Eligible, homeless but not in priority need	3	0	4
4	Eligible, homeless and in priority need, but intentionally so	5	1	18
5	Eligible, unintentionally homeless and in priority need	22	1	45
6	Total number of decisions	41	5	109

Part II – Outcomes for households leaving temporary accommodation

Please provide data on outcomes for households leaving temporary accommodation, or ceased to be 'duty owed, no accommodation secured', and no longer owed a main duty *by* household type for the period April 2012 – March 2013. Where possible it would be extremely helpful if data could be returned by completing Table 2.

Table 2. Outcomes for households leaving temporary accommodation

Outcome		Household Type (Number of households)		
		Single person	Couples with no children	All households (inc. single person & couples)
1	Offer of settled LA or HA accommodation	Data is not recorded	Data is not recorded	28
2	Accepted assured <i>or</i> assured shorthold tenancy	Data is not recorded	Data is not recorded	0
3	Ceased to be eligible	Data is not recorded	Data is not recorded	0
4	Became homeless intentionally	Data is not recorded	Data is not recorded	2

5	Voluntarily ceased to occupy	Data is not recorded	Data is not recorded	6
6	Total	Data is not recorded	Data is not recorded	36

Part III – Homelessness prevention and relief

Please provide data on the total number of cases where homelessness was prevented or relieved by household type for the period April 2012 – March 2013. Where possible it would be extremely helpful if data could be returned by completing Table 3.

Table 3. Homelessness prevention and relief cases

Type of outcome		Household Type (Number of households)		
		<i>Single person</i>	<i>Couples with no children</i>	<i>All households (inc. single person & couples)</i>
1	Positive action resulted in the prevention of homelessness	140	15	334
2	Positive action resulted in the relief of homelessness	0	0	3
3	Total number of cases	140	15	337
