REQUEST

Under the Freedom of Information Act I would like to request the following information about the distribution of laptops to staff:

Could you please provide me with the total number of laptops owned by your organisation that were registered to and/or in the possession of staff members (whether directly employed by your organisation or otherwise) on the following two dates:

- a) 1 May 2010 (or nearest available date – please specify), and
- b) 1 May 2013 (or nearest available date – please specify).

RESPONSE

Further to your enquiry made under the Freedom of Information Act 2000. The Council records it's total hardware inventory items as at 1st April each year, therefore the response below is provided accordingly :-

- a) 01 April 2010 – The Council held 167 laptops. Of these, the majority would be issued to staff; a few to elected Members and there always a few held as stock to manage requests for new items or where a replacement item is required due to hardware failure.
- b) 01 April 2013 – The Council held 179 laptops – all other details as shown above in point a).
