**REQUEST**

I'm completing research on the use of payment technologies in local Councils and wanted to ask the following questions:

1. Do you have a payment kiosk installed at your Council?
2. How many kiosks have you got installed?
3. How long have they been installed
4. Who supplied it? (For example Allpay, Banking Automation, Cammx, KPR Midlink, Scancoin etc)
5. Do you take cash, cheque and card payments through the kiosk?

**RESPONSE**

Further to your FOI request received on 12 January, I can confirm that the Council does not have any payment kiosks at the present time, so therefore there is no information to disclose.
