If the service support area has more than one provider for telephone maintenance then can you please split each contract up individually for each provider.

If the contract is a managed service or is a contract that provides more than just telephone maintenance please can you send me all of the information specified above including the person from with the organisation responsible for that particular contract.

If the maintenance for telephone systems is maintained in-house please can you provide me with:

1. Number of Users: 540
2. Hardware Brand: The primary hardware brand of the organisation's telephone system. Cisco
3. Application(s) running on PBX/VOIP systems: Applications that run on the actual PBX or VOIP system. E.g. Contact Centre, Communication Manager – N/A
4. Contact Detail: Of the person from with the organisation responsible for telephone maintenance full Contact details including full name, job title, direct contact number and direct email address – N/A
