REQUEST

For each financial year from 2008-9 up to and including 2013-14, how many landlords of non-licensable homes of multiple occupation were prosecuted by this council for breaches of the regulations that govern houses of multiple occupation; and of these how many prosecuted successfully?

I would be grateful if you could provide figures for each of the years separately rather than a single total for all five

RESPONSE

In response to your Freedom of Information Request, I can confirm that no non-licensed HMO landlords have been prosecuted during the time periods stated.
