Holiday activities

Guide to holiday activity programmes:

Check that you have registered your child at reception prior to any activities, ensuring we have next of kin details and any medical information. You can do this over the phone or online.

Ensure your child has plenty of water and is wearing appropriate clothing

Give us some feedback, good or bad!

Like us on Facebook and receive regular updates and see pictures of the activities

Be prompt when picking children up as once a supervised activity has finished there will be no supervision available for your child once the session has ended.

If you do not wish us to use your child's picture in marketing or social media, ask to opt out when you register.

Keep track of any cancellations by downloading the GymJam app or by checking the Tendring Leisure Centres Facebook page.

Unfortunately, occasionally activities may have to be cancelled and sometimes at short notice, so please make sure you check that the activity is going ahead before dropping children off.

We still have to pay our coaches regardless of how many children attend. Therefore, under normal circumstances, we are unable to give a refund for cancelled activities once paid for. However, at the managers discretion, and in the event of exceptional circumstances, we will either offer a credit for another activity or a refund.
