(ALCOHOL) LICENSED PREMISES GAMING MACHINE PERMITS

There is provision in the Act for premises licensed to sell alcohol for consumption on the premises to automatically have two gaming machines, of Categories C and/or D.

Gaming machines can only be located on licensed premises that have a bar for serving customers.

Premises restricted to selling alcohol only with food, will not be able to apply for a Permit.

Where an application for more than two gaming machines is received, the Licensing Authority will specifically have regard to the need to protect children and vulnerable persons from harm, or being exploited by gambling and will expect the applicant to satisfy the Authority that there will be sufficient measures to ensure that under 18 year olds do not have access to the adult only machines. Measures will cover such issues as:-

- Adult machines being in sight of the bar;
- Adult machines being in sight of staff who will monitor that the machines are not being used by those under 18;
- Appropriate notices and signage; and
- As regards the protection of vulnerable persons, the Licensing Authority will consider measures such as the use of self-barring schemes, provision of information, leaflets/help line numbers for organisations such as GameCare.

The Licensing Authority can decide to grant an application with a smaller number of machines and/or a different category of machines than that applied for but conditions other than these cannot be attached.
