

# Business owners guide

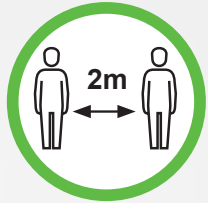

**Seating next to your business, whether owned by you or not, should not be used for eating or drinking**

**Where possible orders should be taken in advance by phone or online**

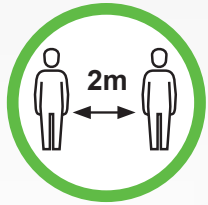

**Use a designated collection point where possible, and one customer at a time in building to collect**

**Customers waiting to collect should be in designated area with social distancing (2m) maintained**

**Collection times should be staggered**

**Use queue management to maintain social distancing.**

**Food should not be consumed at the premises or in the surrounding area**

**Takeaways only**
