Are you ready to safely open your business?

- Have you completed your COVID-19 secure risk assessment? [www.hse.gov.uk](http://www.hse.gov.uk)
- Do you have entrance and exit points that allow safe distancing?
- Can you implement safe queuing and one way systems?
- Have you got contactless payment systems in place?
- Is hand sanitiser available for customers?

As a business it is your responsibility to talk to your neighbouring businesses to ensure queuing systems will work and to protect your employees and customers from harm.

You are required to complete a Government Health and Safety Executive COVID-19 risk assessment. Risk prevention is one part of the overall process used to help control risks in your workplace.

Businesses can contact TDC for advice and guidance on safety measures

STAYING COVID-19 SECURE IN 2020

We confirm we have complied with the government’s guidance on managing the risk of COVID-19

FIVE STEPS TO SAFER WORKING TOGETHER

✅ We have carried out a COVID-19 risk assessment and shared the results with the people who work here

✅ We have cleaning, handwashing and hygiene procedures in line with guidance

✅ We have taken all reasonable steps to help people work from home

✅ We have taken all reasonable steps to maintain a 2m distance in the workplace

✅ Where people cannot be 2m apart, we have done everything practical to manage transmission risk

STAY ALERT ✅ CONTROL THE VIRUS ✅ SAVE LIVES
