REQUEST AND RESPONSE

How many homeless households have been housed in bed and breakfast accommodation for longer than the six week legal limit? **9**

What is the longest a household has spent in a bed and breakfast since 2010? **29 weeks (accommodated at discretion pending review and appeal)**

What was the total expenditure (i.e. the gross amount before recouping costs through housing benefit etc) spent by your local authority on temporary accommodation (including bed & breakfast accommodation including shared annexes) in each financial year from 2009/10 to present? **2009/10 £68,816, 2010/11 £58399, 2011/12 £63,327, 2012/13 £42073, £2014/14 £22368 1/4/14-31/12/2014 £61920**

What was the total expenditure (i.e. the gross amount before recouping costs through housing benefit etc) spent by your local authority on bed and breakfast accommodation including shared annexes in each financial year from 2009/10 to present? **As above as the authority uses its own stock as temporary accommodation and the costs in the first question relate to B&B and shared annexes.**

What was the net amount spent by your local authority on temporary accommodation (including bed & breakfast accommodation including shared annexes) in each financial year from 2009/10 to present? **2009/10 £7859, 2010/11£2761, 2011/12 £30273, 2012/13 £6101, 2013/14 £5693, 1/4/2014-31/12/2014 - £24000**

What was the net amount spent by your local authority on bed & breakfast accommodation including shared annexes in each financial year from 2009/10 to present? **As above and as per second question**
