

FOI 148/2015

REQUEST

I am undertaking some research on journals carried out in public sector finance departments and would like to ask the following question under a FOI ;

Has your authority currently or in the past banned journals being done remotely or out of hours despite having the capability to allow remote and out of hours journals to be carried out securely. If this is the case, or has been the case, what were the reasons ?

RESPONSE

Further to your FOI request submitted on 16 March, I can confirm that there is no current restriction (and there has never been a restriction in the past) on journals being carried out remotely and/or out of hours.
