**REQUEST**

Please can you provide the total costs incurred by the Council - of Translation Services for 2014 and/or 2013/2014.

**RESPONSE**

Thank you for your FOI request in respect of translation services. We had a very similar enquiry just the other week, so I am able to let you have figures now as I already have them collated.

I can confirm that this Authority spent £955.51 on translating documentation during the financial year 2013/14. No money has been spent on any kind of interpreter services during that period.
