- 3) How much was spent on alcohol for Christmas parties for each of the last three years?
- 4) How much was spent on alcohol in the last three years in general?

### **RESPONSE**

Further to your FOI request sent on 20 January, I can confirm that the Council has only spent the following on wine for a drinks reception for the Chairman of the Council:-

2012 - £96

2013 – £93

There was no reception in 2014 so no costs were incurred. I can also confirm that any other Christmas parties/meals were paid for by each officer individually with no costs incurred by the Council.
