

REQUEST AND RESPONSE

1. Has your local council approved a Public Space Protection Order (PSPO), under the Anti-Social Behaviour, Crime and Policing Act 2014?

No, TDC have not issued any PSPOs since powers became available in October 2014

If so, has any final, voted on, version of a PSPO made by your council made reference to any of the following:

- i) Rough sleeping
- ii) Lying down
- iii) Begging
- iv) Aggressive begging
- v) Busking
- vi) Laying of bedding

2. Have any fixed penalty notices been issued under PSPO's in relation to the Anti-Social Behaviour Crime Policing Act 2014 in the last 12 months? If so please state how many.

N/A

3. Is your local council consulting on whether a PSPO should be approved which would prohibit any of the following:

- i) Rough sleeping
- ii) Lying down
- iii) Begging
- iv) Aggressive begging
- v) Busking
- vi) Laying of bedding

Not at the present time. We are planning to amend our DPPO (Designated Public Places Order) in Clacton Town Centre to become a PSPO, although at the moment we have not planned the text of the Order so do not know if it will include any prohibition of the actions mentioned above nor do we have a planned date for enactment. However, consultation will take place before the Order is changed.

4. Could a breakdown of all fixed penalty notices be provided, including the stated reason for the issuing of the fixed penalty notice. Could this information be provided in Excel format.
