REQUEST

Under the Freedom of Information Act 2000, Please tell me:

1. a) What proportion of local authority dwellings under your authority have kitchen amenities that are 30 years old or more?

b) What proportion of local authority dwellings under your authority have kitchen amenities that are 20 years old or more?
2. How many local authority dwellings under your authority have kitchens that are equipped with a microwave only (not an individual hob and stove unit)?
3. What proportion of local authority dwellings under your authority have kitchens that are equipped with an individual hob and stove unit (not a microwave)?
4. How many local authority dwellings under your authority have kitchens that are not equipped with a microwave or an independent hob and stove unit?

RESPONSE

We would class amenities as cookers, microwaves etc... and not the kitchen itself. We do not supply these amenities in our main residents, only in main kitchens of Sheltered Units.

There are 10 Sheltered Units which are supplied with cooking facilities and a microwave. None of these are older than 20 years.

If it is the kitchens we have none older than 30 years and approx. 20% that are older than 20 Years.
