**REQUEST AND RESPONSE**

How much was the budget that covers everything in dealing with stray dogs, for the year 2014, if your financial year runs from January to December or 2013/2014 if it runs April to March?

Answer: £71,520

How much will the budget be for 2015? (or 2014/2015)

Answer: £78,350

If you do not have these figures:-

What was the cost of dealing with stray dogs in the years 2012 and 2013 or 2012/2013 and 2013/2014? (see above re financial years)

If it is on a, for example, five year contract, how much was the cost of the last one?

Answer: No contract – in house

Do you sanction the act of your dog warden/s (or any person contracted to deal with stray dogs) to collect unwanted dogs from the owners property (hand overs) as opposed to when they are actually in the act of straying?

Answer: No
