

**58/2015**

**REQUEST**

What's the cost each year to tendering council for the yearly carnival period including all event that fall within the carnival season.

**RESPONSE**

Thank you for your request received on 23 January relating to costs incurred by the Council in respect of the Carnival. Having liaised with colleagues in various departments, I can confirm that there is no cost to this Authority for anything relating to the Carnival and or events during the Carnival season. The carnival is run independently by the Clacton Carnival Association.
