

**FOI 589/2015**

**REQUEST**

Under the Freedom of Information Act 2000, Please can you tell me:

- 1) Are you planning on imposing the government's "social care" precept in your council tax?
- 2) If yes, how much i.e. the full 2% or less?
- 3) If yes, when will this be imposed?

**RESPONSE**

We are not a first-tier authority. Tendring would not make this decision as this is the responsibility of Essex County Council (adult social care provider) to decide and then we would collect it on their behalf in with the other preceptors charges on the Tendring Council tax bill.
