RESPONSE

Under the Freedom of Information Request, please provide the following for each financial year from 2010/2011 to 2014/2015:

1. How many people your council hired on a consultancy basis who were previously directly employed by your local authority on a salary of £70,000 or more in the last 12 months.

We do not hire people on a consultancy basis.

2. How much your council spends annually on agency staff - for each year mentioned above.

Financial Year	Actual £
2010/11	64,926.70

Financial Services can only identify what has been coded to the Agency code within the general ledger. If departments have charged agency costs elsewhere this will not be included in the figures

3. How many people your council has employed directly earning £70,000 or more who were made redundant (including those who took voluntary redundancy or left by mutual agreement) by your own authority or by another council in the previous 12 months.

We have not had any employee who earns £70,000 or over leave the Authority by redundancy, voluntary redundancy or mutual agreement.

Please provide the positions for the requests listed in 1 and 3 and if possible, the names.
