

FOI 91/2015

REQUEST

I would like to make a request under the Freedom of Information Act.

1. How many council-owned properties are currently empty or derelict?
2. Please provide a list of all council-owned properties that are currently empty or derelict. If possible, this should include the address or postcode of each property.

NB: This should include **all** empty or derelict properties - whatever the reason for it may be - and even if there are plans in place for development of the property.

RESPONSE

Further to your FOI request submitted on 12 February 2015, please find attached a spreadsheet detailing the non-residential properties that the Council own that are currently empty. In respect of the residential properties I can advise that we have 33 general purpose voids (empty council properties) and 42 sheltered voids (empty sheltered scheme properties) at the present time.

Please also see attached spreadsheet.
