REQUEST

Under the Freedom of Information, I request to know if Tendring DC have made a compulsory purchase of the property situated on the corner of Fronks Road & Seafield Avenue, Harwich, CO12 4EH or 4EG.

This property has been empty & boarded up for at least the last 20 + years.

If the council has purchased this property, what do they intend for its future & if going to be sold, will this be by Private Treaty or with an Agent or by Auction.

I wish to have this information as we have a potential purchaser on our books.

RESPONSE

The answer to this is No.
