

FOI 132/2016

REQUEST

I would like to know how many of Tending Employees are off sick at this moment due to stress related medical issues.

Also are they on full pay or partial pay while not working and if so what percent of pay.

RESPONSE

Further to your FOI request submitted on 10 March, I can confirm that there is currently 1 employee off work for stress related issues and they are currently receiving half pay (50%).
