

## **FOI 340/2016**

### **REQUEST**

I would like to know how much councillors are paid and also what expenses and allowances they receive, from the top down for the last 10 years. TDC is an employer of Councillors through the taxes that I pay, I have a right to know these details.

### **RESPONSE**

All of the information you are requesting is already published on our website as part of our Transparency Pages. If you follow this link:-

<http://www.tendringdc.gov.uk/node/1090>

you will be able to access the Transparency pages where you will see that there is information for each financial year going back to 2008/09. If you click on each year, then you are able to go into the Statement of Accounts where you will find Members Allowances and Expenses which details how much each Member received in that particular financial year.
