

REQUEST AND RESPONSE

1. Name and Contact details for your Fleet Manager, Head of Waste Operations, and Head of Streetscene Services (or equivalent job titles where relevant)

Open Space and Transport Manager: Trevor Mills

Head of Building and Engineering, operational services: Damian Williams

2. How many Refuse Collection Vehicles do you have in operation, of what type and specification (i.e. chassis, body and bin lift) and who operates them ?

Refuse vehicles operated by Veolia. Refuse collected in black sacks so no bin lifts.

Total of 9 refuse vehicles:

1 x 7.5 tonne split caged van: Iveco

4 x 8x4 RCV: Volvo

4 x 6x4 RCV : Mercedes/Mann

3. How many Trade Waste Collection vehicles do you have in operation, of what type and specification (i.e chassis, body and bin lift)? and who operates them?

Nil; Trade waste from trade bags collected by household refuse vehicles as above.

- 4.. Does the council have any Bin Lifters on vehicles mechanically prepared for Bin weighing Systems?

No

5. Do you operate and charge for Green Waste or Garden collection, if no, do you have any plans to charge in the future?

Yes; £50 per annum for 25 fortnightly collections from a 240L wheeled bin

6. Are you currently using vehicle mounted weighing systems on your Fleet, if so, what type and specification are you using?

No

7. How does the Council provide/record weights of individual bins per bin collection?

No

8. Does the Council use Bin RFID technology?

No

9. How does the Council archive and report on bin weight data?

Not applicable

10. How do you optimise your Urban Management Services ? (e.g. Streetscene Services - Bin level sensors, Street Cleaning, Route Optimisation, Asset Tracking)

Bins and street cleansing carried out on a set schedule.
