

REQUEST AND RESPONSE

- 1) The total amount of reams of paper used by the authority in the last 12 months**

4770 reams of paper and card

- 2) The amount of expenditure on printing, photocopying, and consumables for internal purposes. We are not interested in the amount of expenditure for printing of publications for external use. -**

£31,331.01 for the 2017/2018 financial year. We do not split budget between consumables, printing and photocopying.

- 3) The amount of recycling of paper from your offices.**

We recycle all manner of materials so are unable to specify the amount of paper that is recycled. All of our recyclables go into the same collection bins.

- 4) Does the local authority have a target to reduce the use of paper - if so what is the current progress?**

The council does not have an official target to reduce the use of paper, however, we strive to achieve a reduction year on year.

- 5) Does the local authority have a target to reduce their carbon footprint - if so what is the current progress?**
