I would like to know figures for Penalty Charge Notices issued for parking infringements from cctvs

A year by year breakdown for the following years: a)2011-2012 b)2012-2013 (and any subsequent partial year figures).

1)The number of parking PCNs, issued from static CCTV cameras, and revenue collected?

2)If you have any cctv enforcement vehicles, the number of parking PCNs issued, and revenue collected?

3)How much is a parking PCN?

RESPONSE

Regarding your question on figures for Penalty Charge Notices issued for parking infringements from CCTVs. We do not/have not never issued any PCN's by CCTV.

Questions 1 & 2 - would therefore be N/A.

Question 3 - The cost of a PCN depends on the type of contravention and whether it is paid during the discount period or not

£70 higher contravention - £35 if paid within 14 days

£50 lower contravention - £25 if paid within 14 days
