

FOI/39/12

REQUEST

1. The number of staff that have access to the Department for Work and Pensions' Customer Information System (CIS) in your organisation
2. The number of recorded incidents of this access being mis-used or abused, and details of the number of records involved in each incident
3. The number of employees that have been disciplined internally or sanctioned in connection with the CIS.

For clarity, our definition of the "past three years" is the period up from 25th July 2009 to 25th July 2012.

RESPONSE

In response to your Freedom of Information Request 31.07.12 I can confirm the number of staff who have access to CIS is 44. There have been no recorded incidences of mis-use and therefore no staff have been disciplined.
