REQUEST

Please could you provide the details below for all Hackney Carriage and Private Hire (taxis) currently licensed to operate within your district.

I would specifically like the license number, car registration number, taxi company for which the driver/vehicle operates under (i.e. what trading name is displayed), and the maximum number of passengers.

RESPONSE

Thank you for your e-mail dated 17 October 2012 which has been passed to me for response.

I can confirm that the details of the licence number, vehicle registration number and the number of passengers the vehicle is permitted to carry can be found using the Council's Public Access system by clicking on the following link:-

With regard to the taxi company details this Authority does not keep a record of these, therefore I am unable to provide you with this information.
